

I VOTE NO CONFIDENCE

TO PROTECT ACADEMIC FREEDOM AT IU

THE WHITTEN ADMINISTRATION HAS REPEATEDLY PLACED POLITICS AHEAD OF ACADEMIC FREEDOM AND THE HISTORIC VALUES OF INDIANA UNIVERSITY

- suspending a tenured professor on trumped up charges and in violation of its own policies
- cancelling a long-planned art exhibition and insulting the artist, an IU alumna
- threatening to sever the Kinsey Institute from IU and its own collections
- ignoring the 2022 full faculty vote overwhelmingly calling on the administration to recognize the Indiana Graduate Workers Coalition
- failing to abide by the principles of faculty governance; **AND THE LIST GOES ON.**
