

# **WARNING! DANGEROUS ART!**

**IU's administration will not allow YOU to see this artwork by  
Palestinian-American artist, Samia Halaby.**

**They claim it is a danger to campus security and safety.**

**On Dec. 20th, IU cancelled a long-planned exhibit of Halaby's  
work scheduled to open at the art museum on Feb.10.**

•

**Join us for a TEACH-IN to learn about IU's long tradition of  
supporting free speech and academic freedom, why Halaby's  
cancellation is cause for concern, and methods of protest  
against administrative actions.**

**Friday February 9     4-6 pm
